DATA ANALYST | SQL | PYTHON | POWER BI | EXCEL | BUSINESS INTELLIGENCE | MACHINE LEARNING

PROFESSIONAL SUMMARY

Data Analyst with hands-on experience in SQL, Python, Power BI, and Excel for data analysis, dashboard development, and business reporting. Currently working as a Junior Data Analyst and pursuing MCA, with practical exposure to data cleaning, exploratory data analysis (EDA), KPI reporting, and business intelligence solutions. Additionally, possessing foundational knowledge of Machine Learning and Predictive Analytics to solve real-world business problems and support data-driven decision-making.

TECHNICAL SKILLS

- **Programming & Databases** : Python (Pandas, NumPy, Scikit-learn), SQL (MySQL), SQLite, Advanced Excel
- **Data Visualization** : Power BI (DAX), Matplotlib, Seaborn
- **Machine Learning** : Regression, Classification, Clustering, Model Evaluation, Predictive Analytics
- **Tools** : GitHub, Jupyter Notebook, MS Office
- **Core Skills** : Data Cleaning, EDA, Statistical Analysis, KPI Reporting, Dashboard Development

EXPERIENCE

Junior Data Analyst

Infinity Civil Engineering Academy, Pune | Apr 2026 – Present

- Prepared and maintained reports using Advanced Excel and data analysis techniques.
- Collected, organized, and validated data for reporting purposes.
- Generated reports and insights to support data-driven decision-making.
- Ensured data accuracy and improved reporting efficiency through structured data management.

Data Science Intern|Cubic IT Services, Pune | Jan 2026 – Jun 2026

- Assisted in data cleaning, preprocessing, and analysis using Python and SQL.
- Performed EDA and generated insights from datasets.
- Worked on Regression and Classification models for predictive analysis.
- Developed reports and visualizations for business insights.

PROJECTS

Customer Purchase Analysis : Technologies | SQL | Python | Power BI

- Identified gaps in understanding customer purchasing behavior and sales performance across products.
- Analyzed customer transaction data using SQL and Python to uncover purchasing patterns and sales.
- Developed interactive Power BI dashboards to analyze revenue, segmentation, and product performance
- Enabled data-driven decision-making by highlighting key revenue drivers and opportunities to improve customer retention and sales strategy.

AI Career Readiness & Skill Gap Analyzer:Technologies| Python |Streamlit| MySQL| Scikit-Learn| Pandas

- Developed an AI-powered career analytics platform to analyze resumes and assess career readiness.
- Processed resume and profile data to identify skill gaps and generate career recommendations.
- Built interactive dashboards for ATS scoring, skill gap analysis, and career insights.
- Generated personalized learning roadmaps and PDF reports to support data-driven career planning.

EDUCATION

MCA	SIMMC, Pune	S.P.P. U	2025-2027	-
BCA	R. A. College, Washim	S.G.B.A.U	2022-2025	73%
HSC	S. P Jr. College, Anjenkhed	Maharashtra State Board	2021-2022	67%
SSC	P. H. S. S, Wai.B	Maharashtra State Board	2019-2020	81%

CERTIFICATIONS & ACHIEVEMENTS

- Data Analytics & Data Science Certification – UV Technocrats (2026)
- President, Student Association (2024–25)
